BRIDGEVILLE PUBLIC LIBRARY

LOVE YOUR LIBRARY

Dear Neighbor,

For over six decades, the Bridgeville Public Library has been more than just a place for books; you've helped us grow into a gathering place where neighbors come together, curiosity is sparked, and connections are made.

Last year, your support connected thousands of neighbors with opportunities to learn, create, and experience joy. 16,035 people took part in educational and informational programs from Preschool Storytime to Teen Hangouts to Adult Craft Nights. In 2025, readers checked out 104,370 items from the library, including books, board games, and eBooks. We also partnered with the Chartiers Valley School District and Allegheny County Library Association to launch a Student Library Card Initiative, providing every student with a card and access to the educational resources they need to learn and succeed.

Together, these programs and resources create opportunities for people of all ages to learn, discover, and grow. Your support makes these opportunities possible. When you give to the library, you're not just supporting programs and collections; you're investing in the lives, stories, and futures of our community.

As we approach the end of the year, we invite you to support the Bridgeville Public Library and our community. Your contribution helps us offer free programs, expand our collections, and continue responding to the needs of our neighbors. Whether you're a longtime supporter or making your first gift, you're helping ensure the library remains a place where everyone feels welcome and empowered, now and for years to come.

We're proud to be part of what makes Bridgeville such a special place, and we're grateful to have you as part of the library family.

Warm wishes,
Erin Weaver
Library Director
